§ 16.3 Procedures for requests pertaining to individual records in a record system.

Any individual who wishes to have EPA inform him or her whether a system of records maintained by EPA contains any record pertaining to him or her which is retrieved by name or personal identifier, or who wishes to request access to any such record, shall submit a written request in accordance with the instructions set forth in EPA's annual notice of systems for that system of records. This request shall include:

(a) The name of the individual making the request;

(b) The name of the system of records (as set forth in the EPA notice of systems) to which the request relates;

(c) Any other information which the system notice indicates should be included; and

(d) If the request is for access, a statement as to whether a personal inspection or a copy by mail is desired.

§ 16.4 Times, places, and requirements for identification of individuals making requests.

(a) If an individual submitting a request for access under § 16.3 has asked that EPA authorize a personal inspection of records, and EPA has granted the request, he or she may present himself or herself at the time and place specified in EPA's response or arrange another time with the appropriate agency official.

(b) Prior to inspection of records, an individual shall present sufficient identification (e.g., driver's license, employee identification card, social security card, credit card) to establish that he or she is the individual to whom the records pertain. An individual who is unable to provide such identification shall complete and sign, in the pres-

ence of an agency official, a statement declaring his or her identity and stipulating that he or she understands it is a misdemeanor punishable by fine up to $5,000 to knowingly and willfully seek or obtain access to records about another individual under false pretenses.

(c) If an individual, having requested personal inspection of his or her records, wishes to have another person accompany him or her during inspection, he or she shall submit a written statement authorizing disclosure in the presence of the other person(s).

(d) An individual who has made a personal inspection of records may then request copies of those records. Such requests may be granted, but fees may be charged in accordance with § 16.11.

(e) If an individual submitting a request under § 16.3 wishes to have copies furnished by mail, he or she must include with the request sufficient data to allow EPA to verify his or her identity. Should sensitivity of the records warrant it, EPA may require a requester to submit a signed and notarized statement indicating that he or she is the individual to whom the records pertain and that he or she understands it is a misdemeanor punishable by fine up to $5,000 to knowingly and willfully seek or obtain access to records about another individual under false pretenses. Such mail requests may be granted, but fees may be charged in accordance with § 16.11.

(f) No verification of identity will be required where the records sought are publicly available under the Freedom of Information Act, as EPA procedures under 40 CFR part 2 will then apply.

§ 16.5 Disclosure of requested information to individuals.

(a) Each request received will be acted upon promptly.

(b) Within 10 working days of receipt of a request, the system manager shall acknowledge the request. Whenever practicable, the acknowledgment will indicate whether or not access will be granted and, if so, when and where. When access is to be granted, it shall be provided within 30 working days of first receipt. If the agency is unable to meet this deadline, the records system manager shall so inform the requester
